A note on the Health and Fine Arts Exhibition held during December 1946

--

The Health and Fine Arts Exhibition was held on a grand scale from 24th Dec 46 to 31st Dec 46 both days inclusive The exhibition was opened by Dewan Bahadur Dr T C M Royan, Minister for Education and Public Health

Exhibits were displayed by various departments of Govt and sections of the Public Health Department The exhibition was divided into the following sections -

1 Nutrition,
2 General Sanitation and Civic Propaganda
3 Vaccine Institute and Public Health Institute
4 Town Planning
5 Water supply and Sanitary Engineering
6 Malaria
7 Epidemiology,
8 Maternity and Child Welfare,
9 Nursery School

Usually the Baby show used to be held along with the Annual Market Show, but the number of children competing was so small that it was thought desirable to hold it in all divisions Therefore the Baby Show was held during the course of the Exhibition Week as follows -

On 25-12-46	I and IX Divisions
on 26-12-46	II and III "
on 27-12-46	IV and V "
on 28-12-46	VI and VII "
on 29-12-46	VII and "
on 30-12-46	Final judging of the babies in the Medical School

The number of children that competed was 508, distributed as follows -

I	Division	35 children
II	"	95 "
III	"	39 "
IV	"	145 "
V	"	24 "
VI	"	30 "
VII	"	63 "
VIII		56 "
IX		21 "
	Total	508 "

It is seen that the number competing is poor in I, III, V VI, and IX divisions It is hoped that in years to come people will get over the sentiment and bring more children for the show so that the idea of holding such shows, to promote better nurture of infants may be achieved. Out of 508 babies, 92 children were recepients of prizes, of these, one child received two more prizes, one for being the best out of all the age groups and another for being the best of the babies of that particular age group and 8 children received one additional prize each being 2nd and 3rd in their respective age groups

The Arts Exhibition was arranged with the kind assistance of the leading Artists of Mysore and it was a grant success 34 prizes were awarded in this section, of which 7 were donated by philanthropic gentlemen

The Government in their order No L 5354-5/M1 10-46-47 dated 31st October 1946, sanctioned a sum of Rs 5000/- towards the expenditure No provision was made in the budget on the receipt side as the Council thought of throwing open the Exhibition to the public free of admission The Sub-Committee while arranging the Exhibition suggested a nominal entrance fee of annas two In addition we realized a decent sum from General Stalls The detailed balance sheet is appended for scrutiny and sanction A sum of Rs 516-12-0 was expended on lunch which was inevitable as all the Volunteers who worked, had to be served with lunch in the morning and evening

The Show could not have been managed without the assistance of the Volunteers If paid servants were appointed, the cost would have been treble this The expenditure incurred finally comes to Rs 4,688-4-3 compared to Rs 5000/- provided in the budget

In this connection I should not omit to mention the valuable services rendered by M/S A Sri Narasimhaiah, and H S Ananthaiah who were in charge of cash and correspondence I propose that they may each be paid Rs 30/- for the additional work turned out by them

In addition, Mr Lavy one of the volunteers, did yoeman service during the Exhibition and the success was in no small measure due to his enthusiasm and willing work As a token of recognition of his work, I recommend Mr Lavy be given a present to the value of Rs 30/-
